Subject: Compliance with the World Anti-Doping Code

Dear Ms. Terenzio,

We thank you for having sent us a copy of your revised draft rules and for giving us the opportunity to provide you with our comments. We have reviewed the proposed amendments and we confirm that they appear to be in line with the World Anti-Doping Code ("the Code").

After this important step, it is fundamental that CONI-NADO enforces the new regulations in accordance with the Code. If you require any assistance in enforcing your anti-doping regulations or programs, please do not hesitate to contact us.

We thank you once again for your efforts in this legal exercise and continued commitment to drug-free sport.

Yours sincerely,
